### Free screening for men and women aged 50 to 74.

The Bevolkingsonderzoek Dikkedarmkanker (Bowel Cancer Screening Programme) invites men and women aged 50 to 74 to collect a stool sample for testing once every two years. The programme aims to prevent bowel cancer or detect cancer at an early stage.

For more information you can call the freephone number 0800 60 160.

Find out how you can  
join the programme on
